

Infrastructure & Engineering

Course Name

Introduction to Permanent Way

Course Description

This 2-day course is intended to provide a delegate with a basic understanding of the Permanent Way and Signalling Infrastructure. A Certificate of Attendance will be awarded to the delegate on completion of the course. This course requires the delegate to visit a suitable safe track location, therefore, he/she MUST be in possession of sturdy foot and outerwear (PPE is NOT required for this course). Location of Training: Derby Training Centre.

Audience

N.B. This is a basic course and NOT intended for staff with any track experience.

Duration: 2 Days Day(s) **Class Size:** 12
