

Technical & Vocational

Course Name

Asbestos - Non-Licensed Works

Course Description

This course has been designed to train those who knowingly will be working with asbestos containing materials where that work is not classified as 'licensable work with asbestos' as defined by CAR 2012. Typically referred to as Non-Licensable or Notifiable Non-Licensable (NNLW) work as detailed in HSE Guidance Asbestos Essentials e.g. cement, gaskets.

Audience

Those whose work will knowingly disturb low risk asbestos containing materials, such as maintenance workers and their supervisors.

Duration: 2 Day(s) **Class Size:** 12

Competence Name Awarded

Undertake Asbestos Non Licensed Works accountabilities in line with CAR regulations
