Course Name

Business Continuity Management (BCM) Modules 1 - 3

Course Description

The Business Continuity Management (BCM) Introduction module aims at providing delegates with the knowledge of what BCM is, why it's needed and how it works at Network Rail. This course also helps delegates identifying roles, responsibilities and accountabilities for Business Continuity Management (BCM). Before starting this module, please ensure you have access to the BCM Toolkit Guidance Documents available to you via the BCM SharePoint. If you do not have access please contact your Group/Route BCM Lead or the Central BCM team via BusinessContinuityManagementTeam@networkrail.co.uk
