

Elearning

Course Name

Competition Law (eLearning)

Course Description

This eLearning course will teach or refresh the basic principles of competition law giving individuals the foundations for future development in this area. It covers how competition law affects Network Rail and what you need to do to ensure your work activities comply with the law and with our licence conditions.

Audience

All employees who have a business to business relationship. In particular those responsible for creating or administering the contractual relationship.

Duration: 0.25 Day(s) **Class Size:** 1
