Course Name

Face Fit Briefing: Module 1 Awareness of Respiratory Hazards

Course Description

Learn about the dangers associated with respiratory hazards, how to mitigate the risks and how to fit an RPE. In this briefing, you will learn about the dangers associated with respiratory hazards, how to mitigate the risks by using simple steps and how to fit an RPE to ensure the protection offered is adequate and effective.

Audience

This briefing is aimed at Network Rail Personnel and those who work across the rail industry: - who are responsible employees required to wear Respiratory Protective Equipment (RPE); - who wear RPE as part of the Personal Protective Equipment (PPE); - who are Face Fit testers. Module 1 Awareness Briefing is applicable to employees who have been identified of being at risk of an exposure to a hazardous substance. This module is a pre-requisite to all other modules. This module can be used by office staff even where the risk of exposure is minimal.

Duration: 0.5 Day(s) **Class Size:** 1
