Course Name

Face Fit Briefing: Module 2 Face Fit Requirements and Fit Check

Course Description

You will learn about the dangers associated with respiratory hazards and how to implement simple steps to mitigate and/or reduce the risks.

Audience

This briefing is aimed at Network Rail Personnel and those who work across the rail industry: - who are responsible employees required to wear Respiratory Protective Equipment (RPE); - who wear RPE as part of the Personal Protective Equipment (PPE); - who are Face Fit testers. This e-learning module should be completed by employees who have been identified as being at risk of an exposure, have been identified as requiring a tight fitting respiratory protective equipment and are subject to fit testing. It is also a pre-requisite to module 3. Not for office-based staff.
