

Frontline Leadership Programme

Course Name

Frontline Leadership - Team Events: DISC Workshop

Course Description

This highly accurate, quick to complete psychometric test aids both individual and team development. The outputs show basic behaviour/work style, how the individuals are actually working at that point in time, and how the individuals change when under pressure. The report also includes elements such as leadership potential, the best ways to develop the individuals concerned, and appropriate styles of management.

Audience

Suitable for teams, in particular middle and senior managers, and talent pools.
