

Elearning

Course Name

Industry Common Induction (ICI)

Course Description

ICI is a common health and safety induction for people working on construction sites, in rail depots, and station maintenance. The eLearning provides the knowledge required for the ICI assessment, the successful completion of which awards the ICI competence. This course is only available at <https://elearning.networkrail.co.uk> and cannot be accessed via Oracle.

Audience

Anyone working on construction sites, in rail depots and stations maintenance. It will be mandatory for anyone on an Infrastructure Projects worksite to hold the ICI competence from 01 June 2016.

Duration: 0.25 Day(s) **Class Size:** 1
