

Railway Operations

Course Name

Initial Signaller Training - Absolute Block

Course Description

This course prepares new signallers for the particular signalling system that they will operate and also introduces them to the risk based competency system (Academy) that will record their competence throughout their training and on going competence as a signaller. There are specific courses developed that should be applied for: AB IST, NX TCB IST and VDU TCB IST.

Audience

For new Signallers who require induction into their role, working solely with Absolute Block systems.

Duration: 1 Day(s) **Class Size:** 8
