

On Track Plant

Course Name

OTP Assurance Inspections

Course Description

Provides training for undertaking OTP Assurance Inspection using CMO App as part of their duties on Network Rail Infrastructure. Delegates wanting to book onto this course must complete the OTP Assurance pre-course form on Oracle and submit it to their line manager for approval. Line managers must forward the booking form on to Malcolm Miles for final approval. Once this has been confirmed by Malcolm the delegate can then be approved via oracle by their line manager.

Audience

Anyone required to undertake OTP Assurance Inspection using the CMO App as part of their daily duties.

Duration: 3 Day(s) **Class Size:** 8
