

Railway Operations

Course Name

Operational Incident Responder (OIR) eLearning

Course Description

The e-learning has been designed to provide an introduction to the role of the OIR and deliver underpinning knowledge in readiness for facilitated and immersive sessions that place the learner at the heart of the blended learning experience. The content is designed to challenge the newly qualified MOM while embedding organisational and legal entities.

The OIR course, is part of the Incident Management learning pathway.

This eLearning is split into two modules which are Introduction to Operational Incident Responder (OIR) and communication.
